User Manual:

- Gently remove the packaging.
- Before starting the installation, check if the product is complete and contains all elements without any damage.
- Check if all cables have undamaged insulation of wires and conductors.
- If any damage occurred during transport, report it to the seller.
- Turn off the power in the room where the lamp will be installed. Switch off the circuit breakers or the main power switch.
- It is recommended that the fixture be installed by an electrician or a properly trained person.
- The manufacturer does not provide wall plugs with the lamp. It is recommended to purchase plugs specifically designed for the mounting surface.
- Use only recommended bulbs to avoid overheating.
- It is recommended to install with gloves.

Maintenance Tips:

- Use a soft, dry, or slightly damp cloth to wipe off dust.
- Do not use any aggressive cleaning agents, as this may cause permanent stains or discoloration of the lamp.
- Keep the user manual.
